The Eagle Ridge Experience

Lodge & Function Centre

Eagle Ridge's most popular package offers you a world class experience and is sure to WOW your guests.

Our two separate venues are purpose-built for the flow of your wedding day. Through the large iron gates and down the long driveway your guests will arrive at this exclusive venue, mesmerized by it's magic and awe-inspiring views across the Bay of Plenty.

Your guests can enjoy an adventurous golf-cart ride down to the rustic, American-Inspired country Lodge and await your arrival.

On your arrival, guests will be left speechless by your grand entrance over the famous arched bridge or down the beautiful Rimu spiral staircase. As you say your "I do's" with the Mount or the Kaimai's as your outdoor backdrop or opt for a candlelit indoor ceremony in front of the large brick fireplace.

Keep your guests entertained here in the care of our professional service with sensational canapes, beverages, lawn games and music while you head off in our 6-seater golf cart for your photos on site.

When you arrive back your guests will have wandered through our short staired bush walk, revealing the spacious and polished-rustic finished Function Centre. Here they will be seated and ready to welcome you in as Husband and Wife for your evening's formalities and celebrations.
